

Back to school on Monday, 8th January

Farewell from Claudette

I would like to take this opportunity to thank all the parents at Canon Barnett for making my time here a truly, wonderful experience. Working with you and your children has been an honour and pleasure. My emotions are torn this week in a bittersweet way, excited about starting my Headship at my new school but sad, that this is my last week to be with the governors, my colleagues and children at Canon Barnett. I hope to see you at the gates this week to thank you personally and wish you all the best for the future.

Claudette

Early Years Nativity

We had the nativity filmed so it should be on the website now for you all to enjoy. You could leave a message of congratulations to tell the children how much you enjoyed it.

Winter Reading Challenge

Remember that the Idea Stores are holding a Winter Reading challenge where you have to read four books over the holidays.

The Library of Everything

Please don't forget the letter Mr Peabody sent to school asking for books for the geography shelf in the library. He was so friendly and informative when he was here that I would like us to help out. The school will be offering some prizes so do your very best. Remember be creative. A book can be any shape, it can include so many different things about geography such as:

- Facts about different countries
- The lives of people who live in different places (if your mum or dad come from a different country ask them about it for your research)
- Famous landmarks
- Maps, diagrams, photos, sketches
- Rivers / forests / mountains

What's happening?

8th January

Back to school

12th January

Last day to hand in Peabody's books

19th January

Prizes for the most interesting book for Peabody's library

24th January
