

We are gardeners

Spring is here on the roof garden.

Lots of spring flowers were planted by years 2 and 3. The daffodils and tulips are just coming through.

Thank you for helping our community

We are scientists

Some of the year 5 children joined our E1 partners at Swanlea for the day last week. They are Canon Barnett's science ambassadors and will be teaching the other year 5 children what they have learnt. It looks like they had an amazing time.

Book Fair

The school sold over £1000 worth of books this week. This is fantastic that we all want to buy our own books but also that the school will be given a sum of money to spend for the library.

Thank you to all the staff and children who helped out after school

End of term

Thursday 29th March at 2 p.m.

Philosophy for Parents – would you like a weekly chance to debate issues with parents from the other E1 schools? See Shahanara for more details.

Changing Me

As part of our Personal, Social and Health Education (PSHE) curriculum we will be teaching the units on Changing Me in the second half of the summer term. The units are about how the body grows and changes and are building on previous units where children are being taught how to develop caring and healthy relationships and a sense of their own worth.

We would like to invite each year group to talk to the teacher about the content of the unit. At the meeting we will share information about what children will be learning and the teaching materials we will be using.

You will get a reminder for your year group and the dates are on the newsletter calendar.

Year 1 – Thu 19th April

Year 2 – Fri 20th April

Year 3 - Mon 23rd April

Year 4 – Thu 26th April

Year 5 – Fri 27th April

Year 6 - Tues 1st May

We hope that you will be able to join us at these sessions in your **child's classroom at 9 a.m.** on the above dates.

Early Years Easter show

Tuesday, 27th March

Do come along and watch your child. The performance will be in the bottom hall at 9.30 a.m. or 2.45 p.m.

The World of Work

Next term we have a focus on ensuring that our children have an understanding of different jobs and how it feels to go to work. In particular we welcome support from anyone who has a really different and interesting job, we would like them to talk to the children for about 15 minutes in assembly. Let me know if you have any ideas.
