

Parent View

When Ofsted visit the school they will log onto Parent View to see what you have to say about the school. You are able to access the questionnaire through the website. The questions are very similar to the ones we ask on our annual questionnaire. Please try and do this for us.

Some children in year 5 were invited to take part in a neuroscience project. It was an amazing experience finding out about how the brain works. More photos on the website

Year 3 have been working with Helen in the roof garden. They have made mini beast hotels to attract small creatures.

Diving at St George's

Check with St George's pool if you fancy having diving lessons over the half term

Uniform

Please remember that the school has blue jumpers or cardigans NOT grey as uniform colours if you buying new over the holiday. Track suits tops are not allowed to be worn as part of school uniform.

Livingstone Academy

There is still time for parents to demonstrate their objections to the proposed new academy in the old Metropolitan university building. At a time of budget cuts and surplus places in Tower Hamlets there is no need for a new school. All the schools in the area are either good or outstanding and are providing a good education for local children.

You can write or email your objections to your councillors, local MP or the Mayor of Tower Hamlets as well as the planning office. It is important to let people know what you think.

The Easter holidays start on Friday, 30th March. We are back to school on Monday, 16th April. Please book your holidays within these dates.
