

# Canon Barnett Primary School

Newsletter 624 8<sup>th</sup> March, 2019

**Pancake races at Canon Barnett**

Children are planting in old plastic bottles to put on the roof garden wall.

This is a good way to recycle “one use” plastic bottles and stop them going into the rubbish dumps.

More green plants will help to reduce pollution.

What can you do at home or in your community?

Please bring any clean, plastic bottles to school and give them to Helen or Agata School is also collecting old shoe boxes or boxes of that size if you have any at home. Please give them to year 1 or 2 or leave them at the office.

## **Scholastic Book Fair**

You will be able to browse for books from Monday, 11<sup>th</sup> March to Wednesday 13<sup>th</sup> March 2019, with your parents straight after school.

You can use your £1 World book day vouchers, so bring your vouchers along.

# Nursery Applications for September, 2019

## Late applications are being accepted at the council.

### Please go online and apply.

If you have any friends or families who have not signed up for the electronic newsletter, please urge them to do so as we are no longer sending them out each week.

If your child is 3 between September 2019 and December 2019 then they could start at the nursery in January 2020. Let the office staff know if you are interested in this.

#### Red Nose day 15<sup>th</sup> March

School will be buying in red noses to sell at £1.25 each. They should be available by the end of next week.

Also, on this day children will be able to come to school dressed as a comic scientist or a scientist you admire and donate a £1 for not wearing school uniform.

The children will be raising money after school with lots of activities in the playground.

**11<sup>th</sup> – 22<sup>nd</sup> March** – Year 3S intensive swimming lessons

**11<sup>th</sup> – 15<sup>th</sup> March** – Science week

**11<sup>th</sup> March** – Chill project data collection day

**Canon Barnett**  
Primary School

**11th -15th March**

A celebration of the best of British Science, technology, engineering and maths has come to Canon Barnett.

Through out the week we will have a range of exciting activities and projects taking place to celebrate Science in our school:

- British Science week Poster competition linked to Journeys
- Real scientists working with Year 2,3 and 4 on CHILL project
- Pollution Solution workshops
- Exciting science experiments
- Year 1 visiting Aquarium
- Gardening session with Helen for EYFS

To finish with a Big Bang we will have a big Science Share and Science Fair on Friday 15th March to raise money for Charity for the Red Nose Day:

**-Do something scientifically funny for money!**

Come dressed as a crazy scientist and donate 1£ and join us at the end of the day for the Big Red Nose Science Fair!
